

## BOOK 1 PRELUDE NO. 19 IN A MAJOR BY JS BACH - DEUS TUORUM MILITUM

Bach created this Prelude by basing it on the old Gregorian Hymn "Deus Tuorum Militum".

Deus\_Tuorum\_P19.pdf is a downloadable pdf file showing the music of this hymn. The pdf file also includes the page you are reading, as sheet 4. The MIDI files play the music.

For general information about MIDI files see my article "midifile" in your browser or download a copy.

Download:

MIDI file dtm-p19d.mid is the 3-part Prelude as Bach published it. I have used horns for clarity.

MIDI file dtm-p19c.mid is the first three verses of the hymn chant, by itself.

MIDI file dtm-p19b.mid is the Bass line of the Prelude along with the Hymn.

MIDI file dtm-p19a.mid is the 3-part Prelude with the Hymn, all together.

1. Deus Tuorum Militum Sors et corona praemium Laudes canentes Martyris Absolve nexu  
criminis.

O God of your soldiers, whose destiny their reward and garland, release from the bond of sin those  
singing praises of the martyr.

2. Hic nempe mundi gaudia Et blanda fraudem pabula Imbuta felle deputans Pervenit ad caelestia.

Here, certainly, cutting away the delights and alluring deceit of the world, food soaking in bitterness,  
he returns to your heavenly home.

3. Poenas cucurrit fortiter Et sustulit viriliter Fundensque pro te sanguinem Aeterna dona possidet.

He hastened bravely to face punishments and endured them manfully, and shedding blood for you he  
inherits eternal gifts.

For other examples of Bach's use of chant melodies in his own pieces, see:

The Little Fugue in G Minor (Dies Irae) and associated MIDI file  
Several of the Goldberg Variations and their associated MIDI files

Enjoy.

Thanks for using our site. We hope you find this material useful and enjoyable.

Here are a few of the Subjects and Articles you can find at JSBachfoa.org

Photographs and Personal experience with the attack on the World Trade Center, September 11, 2011

Articles about J S Bach including:

1. How he wrote his music (disclosed for the first time ever)
2. The relationship between Bach's Music and the attacks
3. Examples of Bach's keyboard music, as he heard it
4. Sheet Music

Beethoven, too (What's he doing here?)

Literary and Historical Articles including:

1. How Joyce Kilmer came up with "Trees" (and you aren't going to guess)

Fire Fighting and Emergency Medical Services:

1. Calculating friction loss, flow, and nozzle reaction in the fire service
2. Solving Water Flow problems using Electric Circuit Theory
3. A simple way to predict the flow from a centrifugal pump
2. A graph of the Henderson - Hasselbalch Equation

Latin:

1. How to Read It and How to Write It using a unique "Color Coded" approach
2. How to Speak It

And More.
